

Heavenly Scent Pet Resort and Spa Services and Policies

🐾 Welcome to Heavenly Scent Pet Resort and Spa. We look forward to becoming your partner in the life-long care of your beloved dog. Please familiarize yourself with our Services and Policies prior to your first appointment and/or resort stay.

Who We Are

Heavenly Scent Pet Resort and Grooming Spa is a compassionate, caring grooming spa, luxury overnight resort and day care for the dogs in your life. Your cherished family dog will be cared for by a professional team, romp on a beautiful five acres with fenced play yards, rest or slumber in luxury home-like suites, meet friends in an indoor playroom, and go on country walks or adventurous hikes on surrounding trails. The country setting is the perfect spa and vacation spot for your dog. Heavenly Scent Resort is a twelve-dog commercially licensed facility meeting premium pet care standards with our personal residence on site. Because we live on site, guests are normally not left unattended for more than five hours.

We do close the Resort approximately one weekend per month and for a few weeks during the year for time off. Due to popularity, the Resort books holidays and summer weekends several months in advance. Please check availability for your dates as early as possible.

Because we offer a luxury, homelike environment, we may not be the best choice for your dog if you struggle with barking, behavioral, destructive, aggression, obedience or housebreaking issues (please discuss in advance).

Becoming a Heavenly Scent Grooming Customer

Grooming Spa customers may simply call 989-277-0740 for the next available appointment. There are occasions when we are unable to accept new clients due to a full schedule. We are the best choice for customers who commit to a regular, repeating grooming schedule of every 2-10 weeks. Take a look at Carol's article, "[How to Choose a Dog Groomer](#)", to help you make an educated decision on where to have your dog groomed.

customers who have been bathed or professionally groomed within the last 6 weeks. Please do not bring us a stinky, dirty dog as it affects the stay for all our guests. All dogs need and deserve care that includes at a minimum nails trimmed, a coat soothing bath and ears cleaned. If your dog needs care, we will provide a resort groom at current prices at the beginning of their stay to guarantee the other guests that all guests are clean, parasite free, have a known personality and are ready for a great time.

Accommodations

[Resort Suites](#) vary in size from 12 to 24 square feet with inviting tile floors, colorful laminate walls and glass doors and dividers. Suites will be assigned based on availability, size and behavior of your dog and the number of family members staying together. Open boarding is also available in the indoor playroom for the most courteous/obedient guests upon request and based on continued good behavior.

Each of our guests receives the care and love of home including:

- Individual guest suites. Family occupancy is available for related dogs living together.
- Wake-up calls and breakfast served from 5:30 to 6:30 am.
- Five to seven outdoor, leash-free potty breaks, five to 10 minutes each, weather dependent in the ¾ acre grassed, five-foot high fenced play yard beginning at 5:30-6:30a.m. and ending at 8:00-9:30p.m.
- Water served in a raised diner and refreshed twice-daily minimum or as needed.
- Daily housekeeping
- In-suite dining up to 2x daily with your food (Resort food selection available-serving Innova but we recommend your own food to avoid stomach upset)
- Dinner bell rings between 5:00 and 6:00pm
- Bedding supplied but your bedding recommended for a sense of home.
- Last potty break and lights out between 8:30 and 9:30pm.

Also available for a small fee:

- Special feeding needs accommodated: including heating, moistening, mixing, and refrigeration.
- Medical needs accommodated: including dispensing prescriptions, injections, vitamins, and skin/ear treatment.

Required Vaccinations and Preventives

We MUST receive proof of vaccinations by a licensed Veterinarian no later than five (5) days “before” your pet’s date of arrival. You may have them mailed, faxed, or dropped off. We regard our guests’ health to be of the utmost importance and will strictly enforce these policies. Failure to follow these health policies will result in your pet being turned away from their stay with us.

Activities and Amenities

Most dogs staying at the resort want and/or need the amenities and activities that make the difference between a comfortable stay and a truly wonderful and fun stay. We will recommend a plan based on your dog's needs and activity level.

- Country Walk: On-leash, 10-minute power walk on trail or road, lots of sites and smells: \$5.00
- Group Play: Active, romping, supervised 10-minute play with socialization/size based small groups: \$5.00
- Cuddle Time: 10 minutes of one-on-one, face-to-face lovin' time with your cuddle dog: \$5.00
- Pet Massage: A complete nose to tail rub down in their suite with special attention to neck, shoulders, hips, feet and ears, 10 minutes: \$10.00.
- Bedtime Treats: A homemade or bakery made healthy treat given with a goodnight kiss: \$1.00
- Introductory Obedience Training: 30 minutes of one-on-one leash time to reinforce non-pull walking, heel, sit, stay: \$15.00
- Special Needs: Quoted per your requests.

What to Bring From Home

Food: We provide premium brand food for your pet but because a sudden change in diet may cause your pet to have diarrhea and an upset stomach, we encourage you to bring their own food. Please bring only enough for the length of stay plus one extra day (transportation problems, original plans change). Please put all food in zip lock bags if feasible. Try to estimate food as best you can and do not send a #40 bag for a two-day stay. All pets are fed twice a day, morning and evening, to minimize the possibility of bloat. Those guests normally fed once a day at home will have their daily amount divided in half for breakfast and dinner.

Beds: We provide cozy fleece beds but encourage you to bring their favorite bed or blanket. We will wash bedding as necessary but may decide to remove the bed if repeat soiling occurs. If bedding has a non-washable inner pillow/filler, please place the pillow in a plastic garbage bag inside the cover to protect it from soiling. If your dog is a chewer and damages a resort fleece bed in any way, you will be charged a fee of \$20 and take possession of the damaged bed at the end of your pet's stay.

Bowls: We provide standard and elevated food and water bowls, but if your pet is particular about dinnerware, you may bring their favorite unbreakable dish. A microwave and refrigerator are available for food preparation.

Toys: Please limit the number of toys from home to two toys that may be returned altered if played with by others, or soiled, damaged, or lost (don't bring the favorite, cherished toy).

Other: If you know your pet has a difficult time being separated from you, you may want to include one (1) article of clothing (recently worn and unwashed) that will smell like you. NO rawhide chews of any sort will be allowed in your pet's suite due to potential health hazards, choking and/or intestinal blockage. Safe chew toys include Nylabone brand chews and Kong brand toys.

Damage/Injury

We have designed Heavenly Scent Resort as a luxury dog accommodation with fixtures and furnishings that are equivalent to items found in your home. Guests are expected to be mindful of this environment. This is not an indestructible environment as is typical in a cement/chain-link boarding kennel. Therefore, you are responsible for any damage done to the resort property by your dog from any cause including chewing, digging, scratching, breaking, etc. You are also responsible for all expenses incurred as a result of injury to an employee or other dog caused by your dog.

Medications

Medications should be in their original container and containers **must** be labeled with the pet's name, name of medication, time(s) to administer, and amount for each dose. A small fee is charged for inventory, handling and administering medications.

Health and Safety

We reserve the right to move and/or separate one or more of your pets for health or safety reasons. Sometimes a guest may not get along with their neighbor or multiple guests from the same household may become impatient with each other without the advantage of their entire house for personal space.

Hours and Sunday Arrangements

Monday through Saturday: All grooming, resort arrivals and departures are scheduled by appointment within the hours listed below. Please notify us if you will be early or late by ± 10 minutes. Dogs more than 15 minutes late may require a reschedule.

Mon-Tues: 7:00am-5:00pm

Wed-Thurs: 7:00-9:00am and 4:00-5:00pm (Pickup and Drop Offs only)

Fri-Sat: 7:00am-5:00pm

Sun: 8:00-9:00am and 3:00-4:30pm (Pickup and Drop Offs only)

Sunday: Appointments that are more than 15 minutes late will require a reschedule and/or an additional night's stay. Calls made on Saturday by 7:00pm to modify appointment times for Sunday are welcome and will be accommodated as best possible.

Drop off/Pickup outside of hours noted above: After Hours Fee \$30.00 by special arrangement.

Arrivals and Departures

Do allow at least 15-20 minutes for check-in, paperwork and receiving. Leaving your pet when you are feeling rushed and impatient will not allow them the serene transition they deserve. All dogs must be leashed, in a carrier, or held when entering and exiting our building. Please take **ALL** precautions when moving your pet to and from your car to keep your pet safe. Guests showing signs of fleas or ticks will be treated and charged accordingly. Any boarding, daycare, or grooming clients left after that day's closing time will be fed dinner, made comfortable in our boarding facility for the night, and will be available to go home when we re-open the next day. Appropriate boarding charges will be applied. When arriving home with your pet after boarding, please wait at least two (2) hours before feeding them. They will be very excited to see you and to be home, which can easily cause stomach upset.

Socialization and Interaction

All dogs at the Resort will have the opportunity for close and intimate contact with other dogs during their stay. Playgroups will be organized with dogs of similar size, age, and/or temperament. Because dogs do play with their teeth and feet, there is the possibility of injury as disagreements and exertion beyond a dog's normal exercise level can occur when guests become overzealous. Staff members will not knowingly admit obviously aggressive dogs into interaction with other dogs. It is your responsibility to inform us if your dog has ever demonstrated aggressive behavior toward people or other dogs.

Staffing

The Resort is staffed day and night for boarding guests yet staff may need to leave the locked building on occasion for up to five hours. Unstaffed overnights will be announced in advance of the reservation.

Heavenly Scent Pet Resort and Spa reserves the right to refuse any services, to any pet, at any time, and for any reason.
