

Why Am I Getting Day Care Service?

Your Dog is Special at Heavenly Scent Pet Grooming & Resort

A visit to Heavenly Scent means your family dog will be receiving the highest standard of care during the entire time they are with us. Our minimum standard is to extend additional comfort services to your dog if they need to stay with us more than an hour past their grooming completion time. The price for this extended visit is \$5.00 for up to four hours past their completion time and \$10.00 for four to eight hours.

We Want Your Grooming Day to Be Easy

We love having your dog stay at Heavenly Scent before or after their scheduled grooming appointment. We appreciate knowing your plans in advance but also realize “life” happens and schedules change. We will make every effort to accommodate your needs. We are happy to care for your dog while you are at work all day, running errands, going to another appointment, etc. Whatever your day, we try to be there for you and make this appointment easy and enjoyable.

What is Offered if My Schedule Requires an Extended Visit?

You may be unaware that most grooming shops put your dog in a crate until you return, regardless of how long you are gone. They may be without water, without potty breaks, without comfort, packed between the noise and commotion of a production groom shop. Not so at Heavenly Scent. If your dog loves action and gets along with others, they will be “studio dogs” free to roam the grooming studio, greet customers and hang out with Carol. For those desiring a quieter environment, they will be pampered with their own quiet space with classical music and aromatherapy. All dogs receive their own water bowl, are let outside to the ¾ acre fenced play yard for potty breaks and appropriate play and have personal resting space.
